

The English Pathway

A complete journey — from first foundations to university admission

Middle School English

GRADES 6–8

Build confident readers, writers, and speakers during the years that matter most. Small-group lessons strengthen core skills while keeping learning engaging.

- Reading comprehension & vocabulary growth
- Grammar, writing structure & composition
- Speaking confidence through guided discussion

High School English

GRADES 9–12

Rigorous academic English support that keeps pace with the high-school curriculum and prepares students for what comes next.

- Essay writing & literary analysis
- Critical reading & academic vocabulary
- Coursework, presentation & exam support

IELTS / TOEFL Uni Prep

UNIVERSITY ADMISSION

Focused, strategic test preparation for students applying to English-speaking universities — taught by instructors who know the exams inside out.

- All four skills: listening, reading, writing, speaking
- Proven strategies & timed mock exams
- Personalised score-improvement plan

HSK Chinese Mastery

Levels 1–4 — a structured path to real Mandarin proficiency

HSK 1

~150 WORDS

Foundations

First steps in Mandarin: pinyin, tones, greetings, and essential everyday phrases for absolute beginners.

HSK 2

~300 WORDS

Everyday Communication

Hold simple conversations on familiar topics — shopping, directions, daily routines — with growing confidence.

HSK 3

~600 WORDS

Intermediate Fluency

Communicate comfortably about work, study, and travel; begin reading and writing longer passages.

HSK 4

~1,200 WORDS

Advanced Proficiency

Discuss a wide range of topics fluently and engage with native-level materials, media, and conversation.
